- 4. News from the practices:**
  - a) CQC went well and both sites achieved a “Good”
  - b) Impact of merger on patients and staff negligible
  - c) Flu vaccination programme went well
  - d) Dr Woolf is back from sick leave and Dr Patel is back from maternity leave at Mitchley
  - e) Mitchley leak in ceiling of reception area over Christmas, still causing some issues
  - f) Covid vaccines will not be arranged by the surgeries, those eligible will be sent a letter by NHS England
- 5. Election of the Board** – Chairman Dave Scott, Pauline will ask Paulette at Selsdon if she will do the minutes for the meeting and if she is not available Pauline or Meryl will do them
- 6. Ayurveda lecture** – we are still keen to proceed with this lecture, Meryl to contact the church to check availability. *This is no longer available and the Selsdon Centre is also not available.*
- 7. AOB** – discussed having Anna Whitter’s appointments online bookable, it looks as if this will not be possible. Also discussed having a PPG summer social arranged by Alex.

8. **Date of next meeting** – we discussed a possible date of 26/6/23 during the day. *Pauline and Meryl have talked about this after the meeting and to improve accessibility think that a virtual evening meeting might give more people the opportunity to get involved.*
